WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

Despite cloud cover today, the region should remain mainly rain free. A cold front approaching the area will bring increasing rain chances tonight through Monday, especially for areas south Highway 36.

San Francisco Weather:

Dry weather is expected through this afternoon. The next storm system will spread moderate amounts of rainfall across the region tonight and Monday. Unsettled weather will continue through midweek with periods of rain. High pressure may produce dry weather for most of the region from late Wednesday through Thursday. Another storm system is forecast to bring additional rainfall to Northern and Central California Thursday night and Friday.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

Dry weather is expected for most of today with areas of fog in the morning. The next weather system moves in tonight into Monday with the chance for precipitation continuing into midweek.

Hanford Weather:

High pressure ridging will briefly prevail through today and dense fog will return to the San Joaquin Valley this morning. Afterward, more storm systems will affect the area during tonight into the middle of next week.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

A ridge of high pressure will keep dry weather in place today and then an approaching cold front will bring a return of cool, wet, and unsettled weather for much of the work week. A warming and drying trend could begin next weekend.

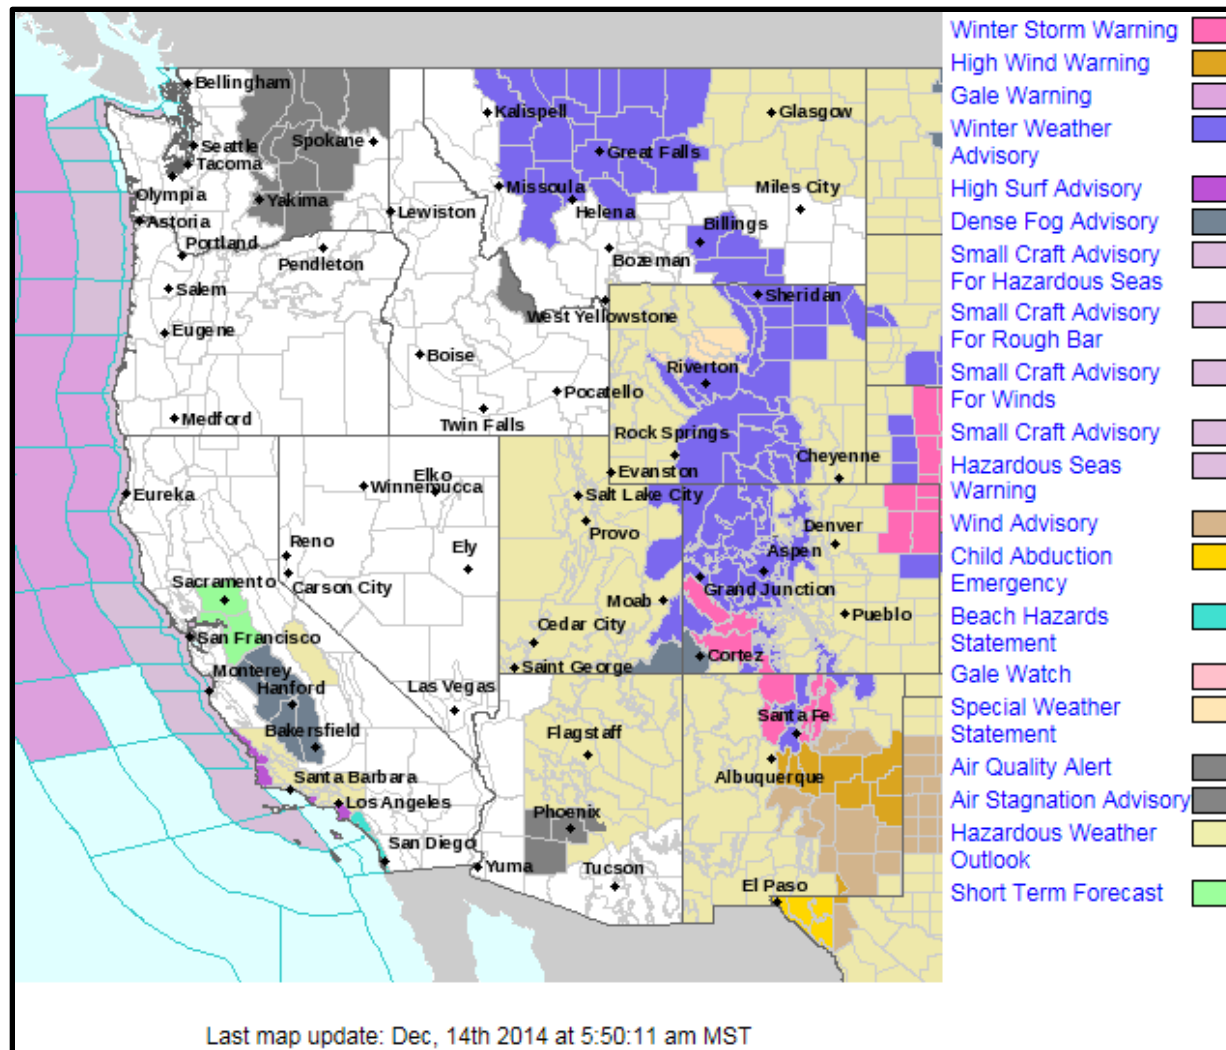

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

The forecast area will be dry and a little warmer through Monday. For Monday night into Thursday, a low pressure system near the California coast will bring periods of light to occasionally moderate precipitation. The forecast area will be dry Thursday night and Friday with another chance of precipitation Friday night and Saturday.

Southeast California Weather:

Partly cloudy skies with below normal temperatures are expected today with slight warming expected on Monday. Another series of storms are expected to move into the region Tuesday and will continue through the middle portions of the week. This weather system will bring scattered showers, mostly cloudy skies, and cooler temperatures.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Recovery Activities

Public Assistance

- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program. As of 12/05/14, all debris removal operations are complete.
- On 10/28/14, the City of Weed reestablished water pressure to its downtown area; however, the water storage capacity for fire suppression is still lacking. The City expects water storage to be restored by 12/31/14, or sooner if the weather permits.
- Individual Assistance
- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The application deadline for property damage was 12/01/14. The deadline to return economic injury applications is 07/01/15.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL continues to work with the Weed LTRG in identifying resources and gaps in services.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyou.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Non-perishable food donations are being accepted at 310 Boles Street.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- As a result of President Obama's major disaster declaration, the U.S. Small Business Administration declared Napa and Solano counties, making residents and business owners eligible to apply for low-interested physical loss disaster loans. This declaration also made available low-interest Economic Injury Disaster Loans (EIDL) for businesses to apply in the primary counties of Napa and Solano, as well as the contiguous counties of Contra Costa, Lake, Sacramento, Sonoma, and Yolo.

Recovery Activities

Public Assistance

- RPA: 62 RPAs were received and 10 have withdrawn for a total of 52 RPAs submitted to FEMA.
- Kickoff Meeting: 49 Kickoff Meetings have been completed; leaving 2 remaining to be scheduled once through FEMA's review queue. It is currently anticipated all kickoff meetings will be complete by 12/17/2014.
- PW: 250 PWs are anticipated to be written as a result of the Napa Earthquake. Currently, 75 PWs are drafted, 23 PWs have been entered into the federal database system, 13 of which have been obligated.

Individual Assistance

- The FEMA and State VAL continue to work with nonprofit organizations in Napa County regarding Long Term Recovery efforts.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. United Methodist Committee on Relief (UMCOR) will provide case management training to local organizations in Napa and Solano counties.
- Assistance Centers – The County and City of Napa: Local Assistance Center (LAC) opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). On 10/29/14, FEMA and SBA provided representatives in the Napa LAC. The operational hours for the LAC are Monday - Friday 9 AM to 6 PM; Saturdays 9 AM to 4 PM; Sundays closed. **NOTE:** Due to the upcoming storms, the Napa LAC will operate on limited hours (11:00 a.m. – 4:00 p.m.) on 12/11/14. In addition, the LAC will be closed on 12/24, 12/25, and 12/26 and will open on 12/27 and 12/29/14.
- The Disaster Recovery Center located at 1155 Capitol Street in the City of Vallejo officially closed at 6 p.m. on 11/25/14, and on Monday, 12/01/14, SBA opened a Disaster Loan Outreach Center (DLOC) at the John F. Kennedy Library, 505 Santa Clara Street, 3rd Floor, Vallejo. The operational hours for the DLOC are Monday – Thursday 10 AM to 6PM; Fridays 10 AM to 5 PM.
- Both the LAC and DLOC are open until further notice.
